About Splicer

Ever wished you could make some extra money from the internet, without learning new skills, and without cost?

If you have, then the solution outlined in this short document will help, and you can start using it within the next 30 to 60 minutes.

E.G. Just 1 Splicer system made Mark... **\$5,199.80 in 11 days**, without a website & 100% without cost... See how and why below.

Note: Mark's been doing this for a while hence the big numbers.

Austin however is a complete beginner and made \$62.76... with his first try (see below).

The image shows a Facebook post from 'Yesterday at 10:12'. The post contains a screenshot of a tracking dashboard with the following data:

Tracking Code	Unique Hops	Sales	Hop Conv.	\$/Hop	Earnings
	50	4	8 %	\$1.26	\$62.76
	47	4	8.5 %	\$1.34	\$62.76
	2	0	0 %	\$0.00	\$0.00
	1	0	0 %	\$0.00	\$0.00
	50	4	8 %	\$1.26	\$62.76

The dashboard also shows a 'Start' and 'End' date range selector and a 'Go' button. The text 'Updated 3 minutes ago' is visible. Below the screenshot, a comment from Mark Bishop says: 'That's fantastic news Austin.' and '11 replies'.

This is achieved largely due to the fact that we give Splicer users (you included) a Complete Done For You System (without charging you for it).

The image shows a screenshot of an 'Affiliate Stats' dashboard. At the top, there are tabs for 'Sales' (selected) and 'Recurring Payments'. To the right, it says 'Combined Earnings: \$128,851.92'. Below this, it says 'Updated less than a minute ago'. The main table has the following data:

Product	Sales	\$/Sale	Total \$
TOTALS (39 items)	5078	\$25.03	\$124,726.88
+	408	\$27.52	\$11,227.63

The value '\$11,227.63' is circled in red.

Splicer Done-For-You System:

Being taught a system that can make you money is great. However, being given a ready to use system that's already making money is way better, don't you think?

Our done for you system means users are able to get started in minutes, even if they are complete beginners, without learning anything, without cost, and with minimal effort.

You'll receive our 'Done For You System' today, as well as full instructions on how to use it, so you can start using it within the next 60 minutes.

How does it work?

Splicer is what we call a self selling system, because it pretty much does all of the work for you.

All you have to do is... [Activate it](#) - **once**.

And, because we've already created a complete 'Ready To Use' Splicer system for you, activation is very simple, and very quick.

Step 1:

The first step is to open the 'Ready Made' Splicer, and add the special code we give you.

Step 2:

Then you simply add your Splicer to one of the free platforms we show you, and include around 6 to 20 words.

As soon as your Splicer is placed on one of the free platforms we share, it will start working for you. And again... it costs nothing to use (not even for traffic).

The only skills you will need are the ability to copy, paste, and type a few words.

Could you do that?

How Does Splicer Make Money?

Splicer users make money when someone clicks the code we give them.

The income from our 'Ready To Use' Splicer (the one we'll give you today), ranges from **\$6** to **\$115**, \$115 being the maximum per customer, i.e. the person who clicks the code.
